

MARICOPA COUNTY - CLERK OF SUPERIOR COURT

MICHAEL K. JEANES

The Clerk of Superior Court's Office was established by the Arizona Constitution as an elected office with specific and special duties, primarily to serve as the official record keeper and financial officer for the Superior Court. The functions of the Clerk of the Court satisfy more than 500 state statutes and court rules. Among the functions that the Clerk is responsible for, with regards to the Case History Index, is to receive, distribute and preserve official court records for all Superior Court actions; i.e.: civil, criminal, juvenile, probate, tax, and domestic relations matters. Juvenile records are not represented in the Case History Index at this time, but may be accessed through Juvenile Court.

The Case History Index was originally created to show the yearly growth percentage for cases filed with the Clerk of Superior Court's Office. It has since evolved to show a brief history of the Clerk's Office cases, some historical information, and provide location and access information, as well as summary figures, for each case category. Additionally, in late 1997, the Clerk's Office, with Superior Court, developed a Web Site on the Internet for access to the Clerk's Office Docket.

...The office of the Clerk can be traced back to the year 1272 AD in the History of Corporation of Old London. In the 1500's in England there was not only the Towne Clarcke, but also the Clerc Comptroller of the King's Honorable Household. In 1603, there was a Clarke general of the Armie. King Henry VIII had a Clarke of the Spicery.

When the early colonists came to America, they set up forms of local government to which they had become accustomed, and the Office of the Clerk was one of the first established. The colony at Plymouth appointed a person to act as the recorder.

Over the years, Clerks have become the hub of the government, the direct link between the residents and their government. Their Clerk is the historian of the county, for the entire recorded history of the county and its people are in his care,

No other office in county service has so many contacts. Its work is not spectacular, but it demands versatility, accuracy, and no end of patience.

...reprinted from the IACREOT NEWS, March 1988.

MARICOPA COUNTY LANDMARK AND RENOWNED CASES

MIRANDA CASE: In 1963, Ernesto Miranda was accused of kidnap and rape and was arrested in Phoenix. Miranda was subsequently found guilty and sentenced to 20 years in prison. This conviction was appealed all the way to the United States Supreme Court. In 1966 Miranda and three similar cases were joined and in a landmark decision, the Supreme Court determined that an accused individual has the right to remain silent and that prosecutors cannot use statements made by the accused while in police custody, unless the individual has been advised of their rights. The case numbers for the Miranda case are CR41947 and CR41948. These files are available on microfilm at Superior Court. Some exhibits are at the State Archives and some are at the U.S. District Court.

WINNIE RUTH JUDD CASE: Also known as the "Trunk Murderess Case", it began in Phoenix in 1931 when Winnie Ruth Judd was accused of killing two women she had known for some time as neighbors and roommates. The purported motive was jealousy over a local businessman named Jack Halloran. The bodies of the murdered women were cut into pieces, packed in trunks and shipped to California where a railroad baggage handler noticed a peculiar odor and saw leakage from the trunks. Winnie Ruth Judd was arrested and stood trial in Arizona. She was found guilty on February 8, 1932, although she maintained that her actions were taken in self defense. Jack Halloran was indicted but not convicted. Judd was committed to the Arizona State Hospital. She escaped twice in 1939, once in 1947, once in 1951, and twice again in 1952. A grand jury recommended that her death sentence be commuted to life imprisonment in 1952. In 1962 she escaped to California where she lived until 1969, when she was discovered and extradited to Arizona. She was pardoned by Governor Jack Williams in 1971. The case numbers involved are CR11333, CR11340, and CR11342. The files are available on microfilm at Superior Court. Original records and exhibits are available at the State Archives.

KINGMAN FIRE CASES: In July 1973, an explosion of a propane tank car in Kingman, Arizona resulted in many deaths and injuries. As a result over 50 suits were filed in Superior Court. The following are the civil case numbers that correspond to the Kingman Fire Case: C279454, C280110, C280147, C280366, C280506, C280507, C280753, C280834, C282642, C282643, C284510, C284997 through C284999, C285935, C286425 through C286434, C287993, C288731, C289897, C292820, C293537, C295290, C295406 through C295414, C295498, C295536, C295537, C302675, C304182, C304183, C307729, C304182, C304183, C307729, C309004, C310857, C314190, C314723 through C314726, C315765, C315798, C315980, C316015, C316058, C327435, C333263.

THE GILA RIVER ADJUDICATION (W1, W2, W3 AND W4 CONSOLIDATED): This Maricopa County Superior Court Civil case was initiated in 1979 in order to resolve the issue of who has what right to surface water in Arizona. The Water Case, as it is commonly known, began in April 1979 when a petition to determine conflicting water rights was filed by the Salt River Valley Water Users Association. Originally the only watershed involved was the W1, Salt River Watershed. In January 1982 the following watersheds were activated and consolidated into the W1: W2, Verde River; W3, Upper Gila River; W4, San Pedro River. The complete case number and name is W1, W2, W3, W4 Consolidated, In re The General Adjudication of All Rights to Use Water in the Gila River System and Source. Additionally, three water rights settlement cases have been filed and adjudicated so far. These are: W1-200, In re Proposed Salt River Pima-Maricopa Indian Community Water Rights Settlement; W1-201, In re Proposed Fort McDowell Indian Community Water Rights Settlement; and W1-202, In re Proposed Yavapai-Prescott Indian Tribe Water Rights Settlement. Active water rights settlement cases are: W1-203, In re the Water Rights of the Gila river Indian Community; W1-204, In re Proposed San Carlos Apache Tribe Water Rights Settlement; W1-205, which has no designated name but is between the U.S. Department of Interior, Gila River Indian Community, and Roosevelt Water Conservation District; and W1-206, In re the Preclusive Effect of the Globe Equity No. 59 Decree on Specified Parties.

STATE OF ARIZONA V. JOHN HENRY KNAPP, CR78779: On November 16, 1973, a fire in the Mesa residence of John and Linda Knapp claimed the lives of their two infant daughters. John Henry Knapp was accused of setting the blaze with Coleman fuel and charged with two counts of first-degree murder. He was tried in August 1974 but the jury was unable to reach a verdict. A second trial commenced in October, and on November 19, the jury found Knapp guilty on both counts of murder. On January 6, 1975, he was sentenced to death in the gas chamber and transported to the Arizona State Prison to await execution. His conviction was affirmed by the Arizona Supreme Court on March 9, 1977. After a series of appeals, a fifth petition for post-conviction relief was granted on February 11, 1987, vacating Knapp's conviction and sentence, and granting him a new trial. Research over the intervening twelve years had identified the phenomenon of "flashover", in which the damage from a high temperature fire mimics that of one set using an accelerant. This gave substantial weight to the theory that the fire could have been set accidentally by the girls themselves. However, much of the state's tangible evidence had by that time been destroyed, and the Attorney General's Office was unable to proceed to trial. The case was dismissed with prejudice on December 21, 1987. The case may be viewed on microfilm at Superior Court. Original documents and exhibits are at RMC.

THE SOUL CASE, P58416: On January 2, 1946, James Kidd executed a holographic will which states in part: "sell all my property...and have this balance of money to go in a research or some scientific proof of a soul of the human body which leaves at death I think in time there can be a Photograph of soul leaving the human at death." On proof that Kidd had absented himself from Maricopa County for such a period of time as to be presumed dead, the will was admitted to judgment by the bank, Judge Robert L. Myers declared that Kidd's will created a valid, charitable testamentary trust, and set for hearing the petitions of those individuals and organizations who sought distribution of the estate for the purpose of engaging in research under the terms of the will. One hundred thirty three claims were made, and from June through October 1967, over one hundred written and oral testimonies were heard in Superior Court. On November 7, 1967, Judge Myers signed an order appointing the Neurological Sciences Foundation of Phoenix as trustee. At that time the estate was valued at roughly \$200,000. However, the decision was appealed to the Arizona Supreme Court who reversed and remanded Superior Court's decision on January 19, 1971. Judge Myers subsequently ruled that the trust be granted to the American Society for Psychical Research who, as trustee, conducted its research on its Hypothesis of Post-Mortem Survival until the funds from the Kidd estate were depleted in May 1975. The case may be viewed on microfilm at Superior Court.

HASH DIVORCES

HASH DIVORCES: In 1973, upon the death of attorney Vivian L. Hash, it was discovered that he had retained a large quantity of divorce decrees in his personal law office instead of filing them with the Clerk of the Superior Court because he was attempting to collect his legal fees. It was found that in each of the cases a trial was held, a divorce was granted, and a divorce decree was signed by the trial judge. An order was filed in P67632 ordering that a judgment be entered, *nunc pro tunc*, in each of the divorce cases found in Hash's office, with certain exception. Said judgment was to be entered as of the date that the trial judge signed each divorce case. In the event that a decree is not found when researching divorces for this time period, check with the following list to determine if the divorce is one of the ones whose decrees Hash retained. Decrees for these cases are on microfilm.

HASH DIVORCE EXCEPTION CASES: In the case of Alander v. Alander, #40725, both parties appeared on February 21, 1973, and disclosed that they had requested the decedent not file the decree because they had reconciled. In the cases of Sullivan v. Sullivan, #8577, Stewart v. Stewart, #18073, and Moody v. Moody, #6450, the court found that the plaintiffs in each case had requested the decedent not file the decrees, and that Mr. Hash had advised these clients their divorces would not be valid until the decrees were filed.

IN THE MATTER OF 1980 MARRIAGE LICENSE NUMBERS 80M04612 -- 80M04635:

The marriage licenses and affidavits for the following Book and Page numbers are unavailable for reproduction from microfilm. These licenses were recorded and inadvertently returned to the parties prior to filming.

The information taken from these licenses was entered into the Clerk's Office L-Index system on April 22, 1980. The names of the parties married, the Book and Page number and the date this data was entered into the L-Index is the only information currently available.

The following list of names and Book and Page numbers provide enough information to allow the Clerk's Office to create an abstract of the marriage certificate. As an abstract is requested by the parties the Clerk will obtain the date and place of marriage from one or both of the parties and enter this information into the Marriage License Abstract system. This process does not affect the validity of the marriages.

DEATH PENALTY

The defendants listed below were convicted and sentenced to death, although not all have been executed. An extensive appeal process is available to any person convicted of a felony and sentenced to death. First, there is an automatic appeal filed with the Arizona Supreme Court, followed by a review from the United States Supreme Court by a petition for writ of certiorari. A person may then file a petition for post-conviction relief from the trial court, and a petition for review from the Arizona Supreme Court, followed by another petition for writ of certiorari. Next, a petition for writ of habeas corpus could be filed with the federal district court, then an appeal to the United States Circuit Court of Appeals, and another petition for writ of certiorari to the United States Supreme Court. With the first appeal to the Arizona Supreme Court, all death penalty cases fall under the State's jurisdiction until the sentence is either carried out or vacated, or the defendant dies. It takes an average of 16 to 20 years for all the appeals processes to conclude.

More information on capital punishment may be obtained by visiting the Department of Corrections web site at [www.adc.state.az.us:81/Death Row](http://www.adc.state.az.us:81/Death%20Row), or the State of Arizona Department of Library, Archives, and Public Records Research Library at the State Capitol, 1700 W. Washington. For information on death row inmates, see the Attorney General's publication "Profiles of Arizona Death Row Inmates." For appeal information on a case by case basis, contact the Arizona Supreme Court death penalty deputy at (602) 542-9396.

TOTAL MARRIAGE LICENSES						
418,431						
						Marriage License index and locations current through December 31, 1999.

*The final recorded number for marriage licenses under the Book and Page System is 98M15873. Beginning in October 1998 the Book and Page System of recording licenses was replaced with the Marriage License Abstract System, in which each license is recorded by its six digit identification number. Licenses are filmed monthly in numerical but not consecutive order; therefore, an exact count of licenses recorded after September 1998 is not the difference between the beginning and ending case numbers. Rather, it is reflected by the total number of entries entered into CARS.

From 1871 through 1978, licenses were recorded in Docket Books. A marriage license number for that period consists of the docket book number and the page on which it was recorded, e.g., Book 10 Page 1234. Beginning in 1979, licenses were no longer recorded in Docket Books. The book number was changed to identify the year the license was recorded and the page number was changed to reflect the consecutive number given to the marriage license, e.g., 7900001. In 1980 an "M" was added to the number to distinguish it from other categories with the same numeric format, e.g., 80M00001.

All marriage affidavits from 1884 through 1975 are on film, in alphabetical order by female maiden name. This includes affidavits for licenses which were returned and recorded, as well as for those which were unused and never recorded. Affidavits from 1976 to present are filmed with the corresponding recorded certificates or licenses. Unused affidavits from 1997 to present are filmed on a separate roll, alphabetically by male surname.

There is no historical information as to the location of the wills or what became of them, however there is some indication they were "kept in a separate book for that purpose" and later filmed. That film was inadvertently destroyed in 1984. Additionally, there is written information that sometime in the mid 1970's a number of Probate files and related materials were unintentionally destroyed. There is no actual documentation for this information, and only second-hand knowledge of the film's destruction.
